To: Rehoboth Baptist Church Members

In an effort to better organize and present recognitions in an efficient and orderly manner during our Honor Roll and Special Recognition Service on Youth Sunday, the Youth Ministry requires that the form below be completed and returned with a copy of your child's report card. In order to receive recognition we must have both forms.

A separate form should be completed for each child. Only those recognitions listed on the completed form will be announced and recognized. Additional copies are available to download online from the church's website and are placed on the table in the vestibule. Once you have completed the form and attached a copy of the official report card, place the items in the pocket tray located on the door of the Church Administrator's office or may be sent via email to the Youth Ministry's secured email address at [youthministry@rehoboth-baptist.com](mailto:youthministry@rehoboth-baptist.com).

The Rehoboth Baptist Church has established an Honor Roll System in which we will recognize our youth for their accomplishments in school. We have the following three categories in which they are recognized: Pastor's Honor Roll for students with all A's; Deacon's Honor Roll for students with A's and B's, and Trustee's Honor Roll for students with A's, B's, and C's. Students who do not receive a letter grade (numbers only) will automatically be recognized under the Trustee Ministry.

In order for a youth to be recognized for their accomplishments they must meet one of the following criteria:

- Must be a member of Rehoboth Baptist Church
- Parents must be a member of or under watch care at Rehoboth Baptist Church.
- Youth has been actively involved, but they have not joined nor their parents.

(Note: If the grandparent is the caregiver for the youth, the grandparent will have to fall under the same criteria as the parent.)

We thank you in advance for your assistance and cooperation with this effort of supporting, acknowledging, and more importantly lifting up and loving our youth.

Sincerely,  
The RBC Youth Ministry
